About North Alabama FUTSAL

North Alabama FUTSAL was established in 2013 as a youth and adult (amateur) indoor soccer league that services cities in North Alabama by organizing seasons, tournaments, camps, clinics and more. The North Alabama FUTSAL League exists to bring organized futsal games to North Alabama. It is the first permanent organization created with the initial sole purpose of facilitating standard futsal play in Alabama. North Alabama FUTSAL is a member of the United States Futsal Federation (USFF), which is an Other Affiliated Member of the United States Soccer Federation (USSF). North Alabama FUTSAL and the games it hosts are governed by the USFF and conducts itself within the guidelines of the USFF and its affiliations.

History / Plans

North Alabama FUTSAL conducted its first season of youth and amateur futsal games in the winter of 2013/14. It has now conducted four winter and four summer seasons, two futsal tournaments, six referee clinics, three youth player and two adult player futsal clinics and is now conducting its fifth winter season. Building upon these experiences, the league will conduct more futsal seasons, tournaments, and clinics but bigger and better. In all cases only USFF registered players, trained futsal coaches, certified futsal referees are allowed to participate. Outside N. A. FUTSAL, plans are being made for more futsal courts to be built in Huntsville and Madison to play games on. It's getting better all the time.

Benefits of Futsal

1. Gives players many more touches on the ball than outdoor soccer games typically provide
2. Leads to better ball control skills, i.e. better dribbling, better passing, better shooting
3. Necessitates quick thinking in tight places
4. Only a few different rules to learn, e.g. kick-ins instead of throw-ins
5. Allows playing in the coldest months and in the hottest months of the year
6. Futsal is safer than wall-ball
